

SDH Horsebox Insurance Repeat Hire Slip

Use of this repeat hire slip streamlines the paperwork needed for second and subsequent hires within 12 months of your previous hire.

**However, if there has been any change in your circumstances
then all hirer paperwork must be completed afresh**

For joint (or multiple driver) hires, each hirer and driver must either provide their own driver paperwork in full, or a repeat hire slip as appropriate.

Please tick here to confirm that there has been no change in your personal circumstances nor driving record, since you completed your previous Millins Hirer Proposal Form and can still agree its declaration
